

# A SAFE HAVEN FOR PETS

**No excuse for abuse!**

C.A.R.E.4Paws' Safe Haven program assists victims of domestic violence in Santa Barbara County. Working with agencies such as Domestic Violence Solutions (DVS) and the District Attorney's Office Victim-Witness Assistance Program, we provide anonymous, temporary refuge for animals so that an owner can leave an abusive partner without fearing for the safety and well-being of a pet.

## **How to access C.A.R.E.4Paws' Safe Haven services:**

If you're already working with an agency, let an agency advocate know that you have a pet(s) and you will be referred to us. If you're seeking help independently, contact C.A.R.E.4Paws directly:

# UN LUGAR SEGURO PARA MASCOTAS

**No hay excusa para el abuso!**

El programa de C.A.R.E.4Paws' Safe Haven, en colaboración con Soluciones de Violencia Domestica y otras agencias, proporciona un lugar seguro y anónimo para animales para que el dueño pueda dejar una pareja abusiva sin el miedo que algo le pase a un mascota familiar.
